

## Service Group Adds Florida Branch

North American Commercial Parts & Service, a holding company for regional parts and service ventures, has added Commercial Appliance Parts & Service of Tampa, Fla., to its growing stable of com-

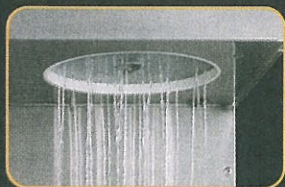

panies. Commercial Appliance serves much of Florida, with branch offices in Jacksonville, Northport and Orlando. The Fairfield, Conn., holding company also owns A-Tech Commercial Parts &

Service, of Manchester, Conn., serving all of New England; and Industrial Electric Commercial Parts & Service, of Huntington Beach, Calif., covering southern California.

# The Extractor<sup>®</sup> Coffee Brewing System

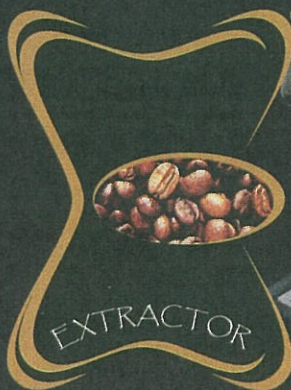

Never before has there been a coffee brewer that has been more dedicated to the art and science of extracting the perfect cup of coffee.

Nor has there ever been a coffee brewer so advanced yet so easy to operate. Without a doubt, The Extractor<sup>®</sup> Series is the smartest brewer in its class yet it won't intimidate the operator.

### ► Pulse-Brew<sup>™</sup>

Pulse-Brew<sup>™</sup> gives you the confidence that you will have an even and full saturation of your coffee bed. After all, who knows your coffee better than you?
